

Langara Open Student Scholar Prize 2020

Honourable Mention

Fred Herzog Film

Oliver New

Class Submitted For: AHIS 1219 – Alena Buis

Open Education Statement:

Open education has allowed me to access the information I needed in order to complete this project, and continues to be an essential tool for all my projects moving forward in my academic career. In order to collect the amount of quotes I needed for the voiceover of this project alone it was extremely valuable to have free access to lots of archival interviews with the subject. Overall this project wouldn't have been possible without open access.
